

Approval of 2017-18 Auxiliary System Budgets

FINANCE AND AUDIT COMMITTEE

April 30, 2017

Virginia Tech has four master resolution bond covenants securing debt issues referred to as Systems. The four systems are the Athletic Facility System, Dorm and Dining System, Electric Service Utility System, and the University Services System. The resolutions authorizing and securing each System requires the adoption of an annual budget by the Board of Visitors.

The budget presentation to the Board of Visitors provides documentation that the revenues to be received during the fiscal year will be sufficient to meet the operating costs of the System, the principal and interest requirements, and usual expenses of maintenance, repair, and operation. The annual budget will be the basis for making payments from the revenue fund to meet the operating costs of the System during the fiscal year. The university works to ensure that the Systems remain in good working order and that compliance with the terms and conditions of the bond covenants are maintained.

The budget of each of the four Systems for the 2017-18 fiscal year are attached. The System budgets are also included within the university's overall budget.

RECOMMENDATION:

That the recommended budget for fiscal year July 1, 2017 to June 30, 2018 for the operation of the Athletic Facility System, Dorm and Dining System, Electric Service Utility System, and the University Services System be approved.
