

RESOLUTION ON PARTIAL DEMOLITION OF UNIVERSITY BUILDING NO. 0550

Building number 0550, a barn structure along the Plantation Road Corridor (north), contains a concrete silo that is desired for demolition in conjunction with the Livestock and Poultry Research Facilities – Phase I project which seeks to enhance spaces available to the College of Agriculture and Life Sciences. While the university requests approval to demolish the silo, the larger barn structure will remain. The silo is beyond its serviceable or useful life.

The university will also obtain approval from the Department of Historic Resources and the Art and Architecture Review Board for the demolition of this structure.

RESOLUTION ON PARTIAL DEMOLITION OF UNIVERSITY BUILDING NO. 0550

WHEREAS, under the 2006 Management Agreement between the Commonwealth of Virginia and the university, the Board of Visitors has the authority to approve the disposition of any building; and

WHEREAS, the silo component of Building Number 0550, is in need of demolition and replacement to align with the demands of university learning and research activities; and

WHEREAS, the university will obtain the approvals of the Art and Architecture Review Board and the Department of Historic Resources for the demolition of this building prior to demolition;

NOW, THEREFORE, BE IT RESOLVED that the Board of Visitors approve the partial demolition of Building Number 0550, located along the Plantation Road Corridor in Blacksburg, Virginia, in accordance with the applicable statues of the Code of Virginia (1950), as amended.

RECOMMENDATION:

That the above resolution authorizing the partial demolition of building number 0550 be approved.
