Appointments with Tenure-to-Title (1)

June 11, 2024

Tenure-to-title is the conferring of permanent appointment to VTCSOM. Tenure-to-title is recognition by the VTCSOM of service and accomplishment of the faculty member and represents the expectation of continued exceptional service and accomplishment by the faculty member. Tenure-to-title is granted at the discretion of the VTCSOM without any right to, interest in, or expectation of any compensation or guarantee for compensation or future employment and is granted only in the VTCSOM to individuals who are not employed by Virginia Tech.

A faculty appointment with tenure is reviewed at three levels. The provost reviews VTCSOM committee and dean recommendations and makes recommendations to the president. The Board of Visitors grants final approval.
