

## 2023-24 Faculty Salary Adjustments

### ACADEMIC, RESEARCH, AND STUDENT AFFAIRS COMMITTEE AND FINANCE AND RESOURCE MANAGEMENT COMMITTEE

May 19, 2023

As detailed in the 2023-24 Faculty Compensation Plan, faculty salary adjustments are normally reviewed and approved by the Board of Visitors in two phases: adjustments for promotion are traditionally recommended at the spring meeting and adjustments based on performance are recommended at the fall meeting, or as needed to align with a state approved compensation program.

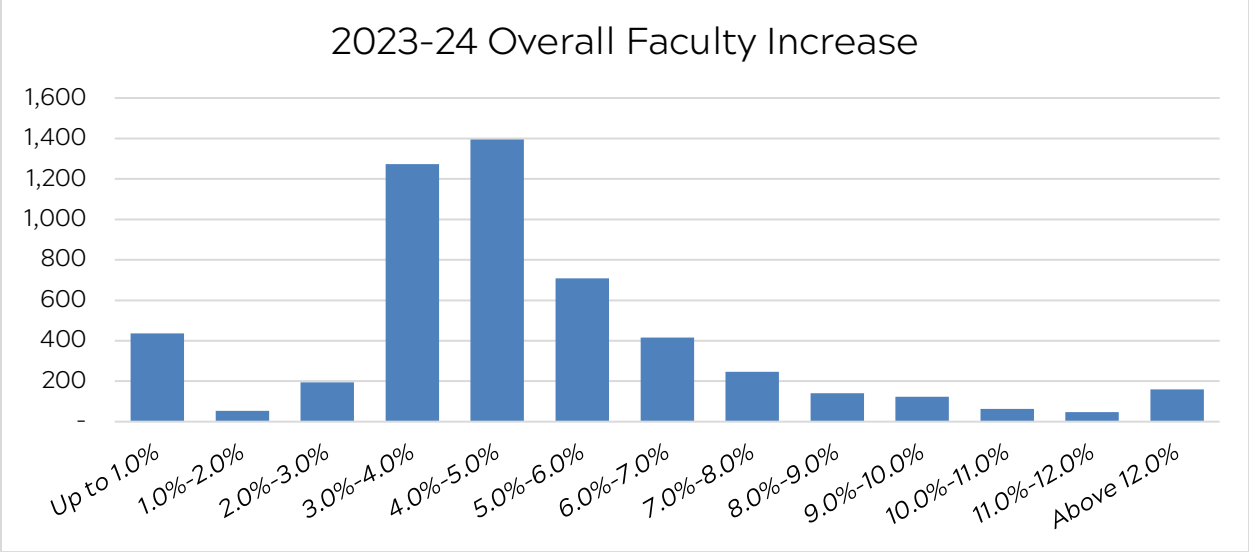

Based on the university's understanding of the state budget, a five percent faculty salary increase, effective June 10, 2023, has been planned. Consistent with the 2022-23 Faculty Compensation Plan, the university facilitated a faculty merit review process resulting in the recommendations summarized below.

#### Summary of Faculty Compensation Review Process

The university allocated 5.0 percent of base E&G faculty budgets to each senior management area to support this 2023-24 compensation process. Of the total 5.0 percent pool, units were encouraged to utilize approximately 4.0 percent for a traditional merit process, and at least 1.0 percent to award Special Salary Adjustments including retention, internal alignment, market competitiveness, increases responsibility, and National Distinction (ND) and Outstanding Contributor (OC) recognition.

5,258 faculty were employed at the beginning of the merit cycle.

- Merit increases averaged **4.3 percent** on an individual basis for 4,824 recipients (4.0 percent over the faculty salary base).
- Special adjustments averaged **3.3 percent** on an individual basis for 1,605 recipients (1.02 percent over the faculty salary base).
- Combining the traditional merit process with the special salary adjustments, overall faculty salary increase recommendations averaged **5.0 percent** and ranged from 0.0 percent to 43.0 percent, as displayed in the distribution below.

*\*Adjustments of 0% occur for various reasons including ineligibility due to hire date, change of position or separation from the university, recent promotion or retention action, performance, contractual agreement, and other employment-related factors.*

A full listing of the recommended faculty salary adjustments is provided in Attachment A.

**RECOMMENDATION:**

That the proposed merit salary adjustments for faculty, effective June 10, 2023, be approved as presented in the following report.
